**THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.**

**SUBJECT:**

Docket No. 2018-353-T - Application of Curtis Enterprises of Darlington, Inc. d/b/a Samco Medical Transportation for a Class C (Non-Emergency) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier - Staff Presents for Commission Consideration the Request of Curtis Enterprises of Darlington, Inc. d/b/a Samco Medical Transportation for an Extension of Time, until March 4, 2020, to Comply with Commission Rules and Regulations.

**COMMISSION ACTION:**

Curtis Enterprises of Darlington, Inc. d/b/a Samco Medical Transportation, is seeking an extension of time until March 4, 2020, to comply with Commission Rules and Regulations. However, he received his initial order granting certification on December 4, 2018, and he has previously requested and received an extension of time in March of this year. I am concerned with the Commission granting an extension to authorize him to begin operations that is 12 months past the date of the initial order approving certification. I, therefore, move that the Commission allow a further extension until December 4, 2019, for Curtis Enterprises of Darlington, Inc., d/b/a Samco Medical Transportation, to comply with all Rules and Regulations necessary to begin operations. If Curtis Enterprises of Darlington, Inc. d/b/a Samco Medical Transportation, fails to come into compliance with all Rules and Regulations for a Certificate to be issued before December 4, 2019, then authority granted under Order No. 2018-748, which is dated December 4, 2018, is canceled, and a new application must be filed to receive certification.
